

## 1.0 PURPOSE

According to TS EN ISO 17065 Standards that USB Certification is accredited, it is to define the procedure of using Certificates and logos and advertisement language of the applied programs.

## 2.0 SCOPE

This procedure covers companies certified by USB Certification.

## 3.0 RESPONSIBILITIES

The organization shall be responsible for adhering to this procedure and requirements listed in their signed contract concerning the use of logo's and certificates.

Food Program Manager is responsible for informing certified customers about the use of the certificate and logo.

## 4.0 PROCESS

### 4.1 Use of Certificates

**4.1.1** In case of the company is given a certificate regarding the scope of the company, this certificate will be valid until the validity date specified in the certificate, provided that the following matters:

- No deviation or change in production method, products and / or operation during the audit.
- Provided that the contract is not terminated for any reason.

**4.1.2** The company may reproduce the certificate issued by USB Certification for advertising purposes.

**4.1.3** USB Certification has the ultimate responsibility for certification, maintenance, extension, suspension, and withdrawal in any case.

**4.1.4** The company will not imply that activities outside the scope of Certification are also certified and will not use the USB Certification certificate.

**4.1.5** The company will not use its Certificate in a way that will compromise the reputation of USB Certification and certification program and lose public trust.

### 4.2 BRCGS Logo Usage Rules

**4.2.1** The clients wishing to use the BRCGS Logo should contact [submissions@brcgs.com](mailto:submissions@brcgs.com) mail address to use the logo or have any questions regarding the use of the BRCGS Certificated Site Logo and should follow "Use of the BRCGS Logos for Certificated Sites" guideline.

**4.2.2** The Logo is for use only by sites that have achieved BRCGS certification to the Standards.

**4.2.3** Indicated terms and conditions shall be checked by the auditor during the audit and results of this check shall be described in the company profile of the audit report as a mandatory field.

### 4.3 IFS Logo Usage Rules

**4.3.1** The IFS Food Logo can be downloaded via the secured section of the [IFS Database](#) by the client who wish to use and the client needs to follow Terms and Conditions for using the IFS Logo. These terms and conditions can be downloaded from IFS Database.

**4.3.2** Indicated terms and conditions shall be checked by the auditor during the audit and results of this check shall be described in the company profile of the audit report as a mandatory field.
